

CLAIMS:

1. A sports commemorator comprising:
 - a cover;
 - a support formed with forward and rearward portions;
 - 5 said forward portion having an open interior for displaying a picture on a layer and an object superimposed with said cover, said picture and said object being related to a sport;
 - said cover formed with first and second transparent portions, said first transparent portion serving to buttress said layer, said
 - 10 second transparent portion serving to receive said object;
 - a forward interface between said forward portion and a peripheral portion of said cover; and
 - a rearward interface between said layer and said rearward portion, wherein said forward and rearward interfaces serve to secure
 - 15 said cover and said layer for displaying said picture and said object in said open interior.
2. The commemorator of claim 1 wherein said second transparent portion serving to receive said object comprising a miniature racing car.
3. The commemorator of claim 1 wherein said second transparent portion serving to receive said object comprising a fishing lure.
- 20 4. The commemorator of claim 1 wherein said second transparent portion serving to receive said object relating to at least one of baseball, basketball, football, hockey, soccer, tennis, skiing, and wrestling.
5. The commemorator of claim 1 wherein said cover comprises a
- 25 transparent member.

6. The commemorator of claim 1 wherein said first transparent portion is formed substantially flat, and wherein said second transparent portion is formed with a chamber having sufficient space to substantially cup said object.
- 5 7. The commemorator of claim 1 wherein said support includes at least one of a frame and a backing.
8. The commemorator of claim 1 wherein at least one of said forward and rearward interfaces comprises at least one of a stop and a fastener.
- 10 9. The commemorator of claim 1 wherein at least one of said forward and rearward interfaces is formed integrally with said support.
10. The commemorator of claim 1 in combination with said object, wherein said second transparent portion substantially cups said object.
- 15 11. The commemorator of claim 1 in combination with said object and said layer with said picture, wherein said picture is superimposed with said object.
12. The commemorator of claim 1 in combination with said object and said layer with said picture, wherein said picture is associated visually with said object.
- 20 13. The commemorator of claim 1 in combination with said layer with said picture, wherein said picture comprises a photograph.

14. The commemorator of claim 1 in combination with said object and
said layer with said picture, wherein said object and said picture are
related to motor sports.
15. The commemorator of claim 1 in combination with said object and
5 said layer with said picture, wherein said object and said picture are
related to fishing.
16. The commemorator of claim 1 in combination with said object and
said layer with said picture, wherein said object and said picture are
related to at least one of baseball, basketball, football, hockey, soccer,
10 tennis, skiing, and wrestling.
17. A sports commemorator comprising:
a transparent member;
a support formed with forward and rearward portions;
15 said forward portion having an open interior for displaying a
picture on a layer and an object superimposed with said transparent
member, said picture and said object being related to a sport;
said transparent member formed with an expanse including
a hollow protuberance, a section of said expanse serving to buttress said
20 layer, said hollow protuberance serving to receive said object;
a forward interface between said forward portion and a
peripheral portion of said transparent member; and
a rearward interface between said layer and said rearward
portion, wherein said forward and rearward interfaces serve to secure
25 said transparent member and said layer for displaying said picture and
said object in said open interior.

18. The commemorator of claim 17 wherein said hollow protuberance serving to receive said object comprising a miniature racing car.
19. The commemorator of claim 17 wherein said hollow protuberance serving to receive said object comprising a fishing lure.
- 5 20. The commemorator of claim 17 wherein said hollow protuberance serving to receive said object relating to at least one of baseball, basketball, football, hockey, soccer, tennis, skiing, and wrestling.
- 10 21. The commemorator of claim 17 wherein said section of said expanse is formed substantially flat, and wherein said hollow protuberance has sufficient space to substantially cup said object.
22. The commemorator of claim 17 wherein said support includes at least one of a frame and a backing.
- 15 23. The commemorator of claim 17 wherein at least one of said forward and rearward interfaces comprises at least one of a stop and a fastener.
24. The commemorator of claim 17 wherein at least one of said forward and rearward interfaces is formed integrally with said support.
25. The commemorator of claim 17 in combination with said object, wherein said hollow protuberance substantially cups said object.
- 20 26. The commemorator of claim 17 in combination with said object and said layer with said picture, wherein said picture is superimposed with said object.

27. The commemorator of claim 17 in combination with said object and said layer with said picture, wherein said picture is associated visually with said object.

28. The commemorator of claim 17 in combination with said layer with
5 said picture, wherein said picture comprises a photograph.

29. The commemorator of claim 17 in combination with said object and said layer with said picture, wherein said object and said picture are related to motor sports.

30. The commemorator of claim 17 in combination with said object
10 and said layer with said picture, wherein said object and said picture are related to fishing.

31. The commemorator of claim 17 in combination with said object and said layer with said picture, wherein said object and said picture are related to at least one of baseball, basketball, football, hockey, soccer,
15 tennis, skiing, and wrestling.

32. A method for displaying a sports related object and picture, the method comprising:

selecting a support having an open interior;
selecting a cover having a transparent expanse with a
20 transparent chamber;
superimposing the transparent chamber over the object in the open interior;
superimposing the transparent expanse over the picture on a layer in the open interior; and

securing the object and the layer in the open interior,
whereby the object and the picture are displayed.

33. The method of claim 32 wherein the transparent chamber serving to receive the object which comprises a miniature racing car.
- 5 34. The method of claim 32 wherein the transparent chamber serving to receive the object which comprises a fishing lure.
35. The method of claim 32 wherein the transparent chamber serving to receive the object which relates to at least one of baseball, basketball, football, hockey, soccer, tennis, skiing, and wrestling.
